I never would've hitch-hiked to ~~London~~ if it hadn't been for love
I never would've caught the bus to Louisiana if it hadn't been for love
I never would've run through the blinding snow
Without one euro to my name
if it hadn't been, if it hadn't been for love

Birmingham

I never would've seen the problems that I'm in if it hadn't been for love
I would've been flown like a wayward wind if it hadn't been for love
Nobody knows it better than me
I wouldn't be wishing I was free
if it hadn't been, if it hadn't been for love

Eight cold walls against my will
At least I know he's lying still
Four cold walls without parole
Lord have mercy on my life

I never would've gone to that side of the city if it hadn't been for love
I never would've took a mind to track him down if it hadn't been for love
I never would've loaded up a forty-four
And put myself behind a jailhouse cell
If it hadn't been, if it hadn't been for love

Eight cold walls against my will
At least I know he's lying still
Four cold walls without parole
Lord have mercy on my life

I never would've hitch hiked to London if it hadn't been for love
I never would've caught the bus to Louisiana if it hadn't been for love
I never would've loaded up a forty-four
And put myself behind a jailhouse cell
If it hadn't been, if it hadn't been for love

Have you ever done crazy things for love?
How would *your* life be different if you had never been in love?

For example: I wouldn't have left the country if it hadn't been for love
