

Shania Twain - You're still the one

Listen to the song carefully, and put the words of the lines that begin with an asterisk (*) into the correct order.

The chorus is repeated several times.

(It) looks like we made it
Look how far we've come, my baby
We might've took the long way
We knew we'd get there someday
They said, "I bet they'll never make it"
But just look at us holding on
We're still together, still going strong, mm

Chorus

* I run you're one to the still
* I the belong to that one
* for life I want you're still one the
* the one I love that you're still
* I only dream of the one
* I goodnight still one the kiss you're

Ain't nothing better
We beat the odds together
I'm glad we didn't listen
Look at what we would be missin'
They said, "I bet they'll never make it"
But just look at us holding on
We're still together, still going strong

Chorus

I'm so glad we made it
Look how far we've come, my baby

Chorus

*Only one of the relative clauses has a relative pronoun; "that"
Rewrite the other phrases using that same relative pronoun*

What does "the one" refer to?

So apart from "that", what other relative pronoun could we use in these relative clauses?
