We Are Never Ever Getting Back Together

Listen to the song and choose the verb form (or word) that you hear

I remember when we ¹ were breaking up / broke up, the first time
Saying, “this is it, ² I've had / I have enough”
‘Cause like, we ³ haven't seen / hadn't seen each other in a month
When you said you needed space (what?)
Then you ⁴ come / came around again and say
“Baby, I miss you and I ⁵ swear / promise I'm gonna change, trust me”
Remember how that lasted for a day?
I say, “I ⁶ hate / love you,” we break up, you call me, “I ⁷ hate / love you”

Ooh, ooh, ooh
We called it off again last night
But ooh, ooh, ooh
This time, ⁸ I'm telling you / I'll tell you, ⁹ I'm telling you / I'll tell you

We are never ever, ever getting back together
We are never ever, ever getting back together
You go ¹⁰ speak / talk to your friends, talk to my friends, talk to me
But we are never ever, ever, ever getting back together
Like, ever

I'm really gonna miss you picking fights
And me falling for it, screaming that I'm right
And you ¹¹ used to hide away / would hide away and find your peace of mind
With some indie record that's much ¹² cooler / better than mine

Ooh, ooh, ooh
You called me up again tonight
But ooh, ooh, ooh
This time, ¹³ I'm telling you / I'll tell you, ¹⁴ I'm telling you / I'll tell you

We are never ever, ever getting back together
We are never ever, ever getting back together
You go ¹⁵ speak / talk to your friends, talk to my friends, talk to me
But we are never ever, ever, ever getting back together

I used to think that we ¹⁶ would be / were forever ever, ever
And I ¹⁷ used to say / said, “never say never”
Ah, so he calls me up and he's like, “I still love you”
And I'm like, I'm just, I mean this is exhausting, you ¹⁸ understand / know?
