

Frank Sinatra - If you go away

Match the first half of each line with the second half

- ¹ If you go away on this summer day,
- ² All the birds that flew in the summer sky,
- ³ When the day was young and the night was long,
If you go away, if you go away, if you go away.
- ⁴ But if you stay,
- ⁵ We'll sail the sun, we'll ride on the rain,
- ⁶ Then if you go,
- ⁷ Leave me just enough love
If you go away, if you go away, if you go away.
- ⁸ If you go away, as I know you must,
- ⁹ Just an empty room, full of empty space,
- ¹⁰ I'd have been the shadow of your dawn
- ¹¹ If you go away, if you go away, if you go away,

when our love was new and our hearts were high.
then you might as well take the sun away.
and the moon stood still for the night bird's song.

I'll understand,
we'll talk to the trees and worship the wind.
to fill up my hand,
I'll make you a day like no day has been, or will be again;

if I thought it might have kept me by your side.
like the empty look I see on your face.
please don't go away
there'll be nothing left in the world to trust,
