How sweet it would be if I found out I could fly

I’d soar to the sun and look down at the sea

And I’d sing ’cause I know

And I’d sing ’cause I know

And I’d sing ’cause I know

I know how it feels to be free

...I could break all the chains holding me

...I could share all the love that’s in my heart

...you could know what it means to be me

...I could say all the things that I should to say

...I knew how it would feel to be free

...I could be like a bird in the sky

...I had enough money to buy you a house

...I could give all I’m longing to give

...I could live like I’m longing to live
