

Simon & Garfunkel - El Condor Pasa

Listen to the song and choose the word that you hear in the lyrics below.

I'd ¹ rather / prefer to be a sparrow than a snail

Yes, I would

If I could

I ² probably / surely would

I'd rather ³ be / hold a hammer than a nail

Yes, I would

If I only could

I surely would

Away, I'd rather ⁴ sail / fly away

Like a ⁵ swan / plane that's here and gone

A man gets tied up to the ⁶ earth / ground

He gives the world its saddest sound

Its saddest sound

I'd rather ⁷ walk through / be a forest than a street

Yes, I would

If I could

I ⁸ surely / really would

I'd rather ⁹ feel / touch the earth beneath my feet

Yes, I would

If I only could

I surely would

What would **you** rather be?

- Would you rather be beautiful/handsome but stupid or intelligent but ugly?
- Would you rather go to a concert or to the cinema?
- Would you rather be popular with your classmates or with your teachers?
- Would you rather be super fast or super strong?
- Would you rather be able to teleport anywhere in the world or be able to read minds?
- Would you rather spend a day without water or a day without your smartphone?
- Would you rather cut off a hand or a foot?
- Would you rather have bad breath or smelly feet?
