

# Sympathy for the Devil - The Rolling Stones

Do you know the meaning of these verbs? Which are irregular? What is the past simple?

*be, fight, have, hold, kill, lay, make, rage, ride, scream,  
seal, see, shout, steal, stick around, stink, wash & watch.*

Look at the lyrics below. Which words go in each of the gaps?  
First try to guess, then listen to the song to check your answers.

Can you guess the name of the narrator?

Please allow me to introduce myself, I'm a man of wealth and taste  
I've been around for a long, long years, (I) <sup>1</sup> \_\_\_\_\_ many a man's soul and faith  
And I <sup>2</sup> \_\_\_\_\_ around when Jesus Christ <sup>3</sup> \_\_\_\_\_ his moment of doubt and pain  
(I) <sup>3</sup> \_\_\_\_\_ damn sure that Pilate <sup>4</sup> \_\_\_\_\_ his hands and <sup>5</sup> \_\_\_\_\_ his fate

Pleased to meet you, (I) hope you guess my name  
But what's puzzling you is the nature of my game

I <sup>6</sup> \_\_\_\_\_ around St. Petersburg when I <sup>7</sup> \_\_\_\_\_ it was a time for a change  
(I) <sup>8</sup> \_\_\_\_\_ the czar and his ministers, Anastasia <sup>9</sup> \_\_\_\_\_ in vain  
I <sup>10</sup> \_\_\_\_\_ a tank, <sup>11</sup> \_\_\_\_\_ a general's rank  
when the blitzkrieg <sup>12</sup> \_\_\_\_\_ and the bodies <sup>13</sup> \_\_\_\_\_

Pleased to meet you, (I) hope you guess my name, oh yeah  
Ah, what's puzzling you is the nature of my game, oh yeah

I <sup>14</sup> \_\_\_\_\_ with glee while your kings and queens  
<sup>15</sup> \_\_\_\_\_ for ten decades for the gods they <sup>16</sup> \_\_\_\_\_  
I <sup>17</sup> \_\_\_\_\_ out, "Who <sup>18</sup> \_\_\_\_\_ the Kennedys?"  
When after all it <sup>19</sup> \_\_\_\_\_ you and me

Let me please introduce myself, I'm a man of wealth and taste  
And I <sup>20</sup> \_\_\_\_\_ traps for troubadours who get killed before they reach Bombay

Pleased to meet you, (I) hope you guess my name, oh yeah  
But what's puzzling you is the nature of my game, oh yeah, get down!

*fade out during the guitar solo, at the 3 minute mark*
