

The Beautiful South - A Little Time

Read the lyrics below and write the question tags in each gap 1-5, then listen to check that you got the right answer.

The last “question tag” is not really a question tag, so listen carefully and write what you hear.

I need a little time to think it over
I need a little space just on my own
I need a little time to find my freedom
I need a little...

(It's) funny how quick the milk turns sour, ¹ _____?
Your face has been looking like that for hours, ² _____?
Promises, promises turn to dust
Wedding bells just turn to rust
Trust into mistrust

I need a little room to find myself
I need a little space to work it out
I need a little room all alone
I need a little...

You need a little room for your big head, ³ _____?
You'll need a little space for a thousand beds, ⁴ _____?
Lips that promise fear the worst
Tongue so sharp the bubble burst
Just into unjust

I've had a little time to find the truth
Now I've had a little room to check what's wrong
I've had a little time and I still love you
I've had a little...

You had a little time and you had a little fun, ⁵ _____?
While you had yours do you think I had none? ⁶ _____?
The freedom that you wanted back is yours for good
I hope you're glad
Sad into unsad

I had a little time to think it over
I had a little room to work it out
I found a little courage to call it off
I've had a little time
